House of Representatives

The Hon. Michael B. Mukasey  
Attorney General  
United States Department of Justice  
950 Pennsylvania Avenue N.W.  
Washington, D.C. 20530

Dear Michael:

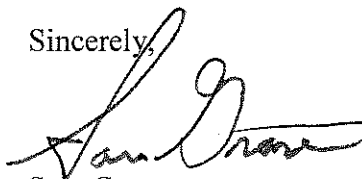

I am writing you on behalf of my constituents, many of whom may be the victims of fraud that violated long-standing federal statutes. Your prompt attention to this matter is greatly appreciated.

Currently, the Attorney's General of Missouri and Kansas have begun an investigation into the lending practices of a Chad Franklin Suzuki, now Legend Suzuki, in Kansas City, Kansas. These practices are causing financial hardship for a number of my constituents.

The dealer's lending practices may have violated one or more federal statutes in addition to a number of state consumer protection laws. I am writing to ask that you offer any and all assistance requested by the Attorney's General of Kansas and Missouri. If federal laws were violated, it is my belief that the guilty parties should be punished.

If you have any further questions regarding this or any other matter, please do not hesitate to contact me anytime. I look forward to hearing your response.

Sincerely,

Sam Graves  
Member of Congress
